Contributions to Mineralogy and Petrology

Founded and edited in 1947 by O.H. Erdmannsdörffer with collaboration of C.W. Correns and H. Steinmetz as "Heidelberger Beiträge zur Mineralogie und Petrographie". Continued from Vol. 6 (1957) as "Beiträge zur Mineralogie und Petrographie", and from Vol. 12 (1966) to Vol. 40 (1973) as "Contributions to Mineralogy and Petrology/Beiträge zur Mineralogie und Petrologie".

The exclusive copyright for all languages and countries, including the right for photomechanical and any other reproductions, also in microform, is transferred to the publisher.

The use of registered names, trademarks, etc. in this publication does not imply, even in the absence of a specific statement, that such names are exempt from the relevant protective laws and regulations and therefore free for general use.

Authors of this journal can benefit from library and photocopy fees collected by VG WORT if certain conditions are met. If an author lives in the Federal Republic of Germany or in West Berlin it is recommended that he contacts Verwertungsgesellschaft WORT, Abteilung Wissenschaft, Goethestraße 49, D-8000 München 2, for detailed information.
